

1 Claim 1 and 2 have been canceled in view of the art
2 cited there against. Claim 3 has been amended and rewritten in
3 independent form including all of the limitations of the base
4 claim and any intervening claims, as kindly suggested by the
5 examiner to be allowable. Claims 4, 5 and 6 remain in the case
6 and are believed now allowable since they depend from newly
7 amended claim 3 now believed allowable.

8 In view of the foregoing remarks and amendment, it is
9 believed that this application is in condition for allowance.

10 Reconsideration and a favorable action are now kindly
11 requested, and in the event that this specification or claims
12 should require any further amendment, the kind assistance of
13 the Examiner in entering an Examiner's amendment will be
14 greatly appreciated. It is suggested that such an amendment
15 may be optionally supplemented by a phone conversation and
16 confirmed by form PTOL-327, Box 4b, so as to expedite the
17 formal allowance of this application.

18 Respectfully submitted,
19 Jorge Taylor
